

HIGHTON STORMWATER MANAGEMENT STRATEGY

COMMUNITY ENGAGEMENT SUMMARY

Feedback on the Highton Stormwater Management Strategy consultation has closed. Thank you to everyone who provided feedback, your contribution is valued and appreciated.

From 14 May, 2025 to 13 June, 2025 the community were invited to provide feedback on the strategy to assist the City and relevant authorities to better understand and manage flood risk, stormwater quality impacts on local waterways, and alternate water supply options for the region. The assessment area consists of the following suburbs: Highton, Belmont, Wandana Heights, and Ceres.

Community feedback is a vital part of our planning.

HOW WE ENGAGED WHAT DID WE DO?

NEXT STEPS

Thank you to everyone who contributed to our recent community engagement. The engagement is now closed as we move into the evaluation and review phase.

We really value the experiences shared by our community members. Your feedback will play a key role in validating the catchment model and shaping the deliverables of the strategy.

A summary of the key insights from the engagement will be published on our website once the evaluation process is complete.
