

# LITTLE MALOP STREET WEST EXTENDED OUTDOOR DINING TRIAL

## FREQUENTLY ASKED QUESTIONS

### What is being proposed?

We are proposing a trial to extend the existing alfresco dining zone from the property boundary to the edge of the footpath on Little Malop Street, between Shorts Place and Dennys Place. The main pedestrian access will be via the centre of the street during operational hours.

### When will the trial start and how long will it last?

Upon green light, the trial will commence in Spring and will last for six months. This trial is conditional and may cease at any time should unforeseen circumstances arise. After review, the trial may be extended or made permanent.

### Why are we conducting this trial?

The trial aims to enhance the outdoor dining experience, support local businesses, and create a vibrant community space.

Feedback from this trial will help determine its long-term viability.

### How will the success of the trial be measured?

The trial's success will be evaluated based on community and trader feedback via survey, as well as usage data of the alfresco dining area.

### Will there be any impact on pedestrian access?

Yes, the centre of Little Malop Street will become the primary path of travel, with access provided to individual businesses from the centre of the street to business entrances.

### Will there be any impact on vehicle access?

No, there are no changes to the restricted hours. The street will remain accessible for those who have a PIN-code. Please refer to the updated Automated Bollards Fact Sheet, which is accessible via the QR code.

### Will there be costs for additional outdoor furniture during the trial?

Yes, there will be costs for additional chairs as per general Alfresco or Outdoor Dining Permits issued by the City.

### Why do we need barriers to the edge of the footpath?

The barriers will assist visually impaired access in Little Malop Street.

### How can I provide feedback on the proposed trial?

We are seeking feedback via a survey on Have Your Say <https://yoursay.geelongaustralia.com.au/LMSWODT>. The survey will close on Monday 9 September 11:59pm.

We are also inviting you to a Q&A session on Tuesday 3 September at Eureka Hotel from 3:30pm to 4:30pm.

All feedback received will inform the next steps of the trial.

### Who do I contact for more information?

If you would like more information, please go to the HYS page via the QR code below or contact email: [centralgeelong@geelongcity.vic.gov.au](mailto:centralgeelong@geelongcity.vic.gov.au)
