

TITLE: COOLABAH DRIVE, GROVEDALE

COMMUNITY ENGAGEMENT SUMMARY – FEBRUARY 2021

The City commenced engagement with property owners in Coolabah Drive, Grovedale in February 2021. We engaged with property owners who were considered to benefit from a footpath on both sides of Coolabah Drive and into Allambee Avenue, connecting the missing link of the Grovedale Youth Walk. The footpaths would also allow local residents to safely access Heyers Road which connects to the local bus service, shops, and schools as well as young families visiting Coolabah Park.
