Opportunity Highlights

Value-add close to farm gate

Packhouse, processing and beverage production with fast refrigerated links to Melbourne's wholesale markets and national distribution.

Cold-chain & export ready

Port of Geelong supports bulk agri-trades and project cargo; One-hour freeway haul to Port of Melbourne and Tullamarine air-freight.

Secure inputs

Industrial precincts with reliable power, gas and Class A recycled water in key locations to support intensive food production.

R&D and skills

Deakin's aquaculture and feed innovation laboratory, and biofactory, along with, Marcus Oldham College (agribusiness leadership) and The Gordon TAFE (food & fibre training) help firms pilot new products and scale capability.

Room to grow

Large, serviced sites suit modern food manufacturing with easy access to the ring road, rail, airport and port.
